GOOD MORNING YOUR HONOR

John Pack told the judge he thought the police have it in for him because they get him every time he comes to work. He said he didn't like the idea of spending the night in a dirty police station. The court continued the case until Wednesday, to allow him a chance to prepare for trial. Burns will stop over again Wednesday night at the station.

Eddie Burns asserts that he was not drunk Monday night as the police department alleges. He said he didn't like the idea of spending the night in a dirty police station. The court continued the case until Wednesday, to allow him a chance to prepare for trial. Burns will stop over again Wednesday night at the station.

Dick Gruber had been drunk so often, it is said, that when he started a racket Sunday night the neighbors thought sure Dick had been out and found some place open. Dick used a couple of angry words and the police were called. They are in the habit of taking the neighbors at their word, and Dick slept in his customary bed at the station that night. He denied being drunk, however, and proved that he wasn't. He has been out of jail for eight days and the court commended him warning him that he will get the limit of six months when he is brought in again. He was dismissed.

Louis Hovach, following a west end saloon quarrel, struck John Nagy with a beer glass, spilling all the contents over Nagy's face, the latter alleged. Louis was arrested and Tuesday pleaded not guilty to a charge of assault and battery with intent to kill. Trial was set for Friday. Bond was made \$100.

MAY DECIDE ON NEW C. OF C. SECRETARY

Directors of Chamber Have Received a Number of Applications for Place.

Who will be the new secretary of the Chamber of Commerce to occupy the position vacant since the resignation of U. G. Manning to become city controller, may be decided at the meeting of the board of directors of the chamber Wednesday afternoon at 4.30 o'clock.

The selection of a secretary has been by far the most important question up to the no board of directors which has shown no disposition to hurry. Several applications from South Benders as well as others outside the city have been under consideration and the board has taken considerable time to investigate into the qualifications of the applicants.

Although the identity of the applicants has been kept secret it is practically admitted that the new secretary will not be a South Bend man.

The directors are said to incline toward the selection of an outsider on the theory that a stranger will be taken more seriously by the members than a local man.

Watch Husband's Hair—If Thin or Full of Dandruff Insist on His Using Parisian Sage.

Men as a class give but little thought to the care of the hair. Not until it comes out by the combful, or some friend remarks that they are getting bald, do they really take notice—then it may be too late.

If your husband's hair is getting thin; if he has dandruff or the scalp itches, take immediate action—do not let him become a bald head.

Get from any drug or toilet counter a 50-cent bottle of Parisian Sage. It contains the exact elements to supply hair and scalp needs. The first application removes all dandruff—the great hair destroyer. A little Parisian Sage rubbed well into the scalp for a few nights will work wonders. When the hair stops falling and the new growth appears use every other night until the hair is thick and abundant.

Parisian Sage is a delightful and invigorating hair tonic for men, women and children. It is a scientific preparation based on a thorough knowledge of what is needed by the hair and scalp to keep them perfectly healthy and remove dandruff, stop scalp itch and falling hair.

Surely try Parisian Sage. Wetlick's Original Kut Rate Medicine Store sells it with an agreement to refund your money if not satisfied. Look for the trade-mark—"The Girl with the Auburn Hair." Accept no other.—Adv.
